Matezie di Scansano

TECHNICAL SHEET

MAREMMA TOSCANA ROSSO IGT

Bag in Box Rosso *2024*

The everyday red, in a family-size box

The Matezie house red in bag-in-box format: the bag closes itself after every glass, so the wine stays fresh long after opening. Handy for everyday meals, parties and a glass at a time. Made from Sangiovese and Ciliegiolo: an honest, easy-drinking red, like the wine that is always on the table in Maremma.
